Transport Information in VDA 4913

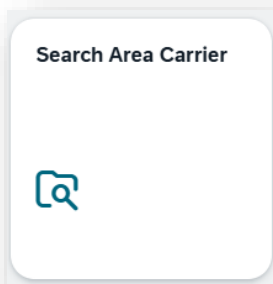

Additional Information for the Regional Forwarding Concept

Detailed information can be found in the EDI 03. Lieferschein- und Transportdaten (DFÜ + Papier)/ 03.1 Delivery note and transport data_ENU.

In general, the description follows VDA 4913. The deviations for deliveries within the regional forwarding concept are described below. The transport number can be determined using the application **EDI Quality** and the function **“Search Regional Forwarder”**.

Record type	Pos.	Field	Data Element	Example / Key for Entry
RT 712	13	62-75	Transport partner no.	12345678/field can also be left empty
RT 712	05	17-30	Freight forwarder	Name of the freight forwarder
RT 712	14	76-77	Means of transport code	01
RT 712	17	104-111	Means of transport information code	BBD123
RT 713	06	25-26	Distribution Type	01

1. **At the consignment level**, under Carrier/Freight Forwarder, please enter the **name of the forwarding agent** in the Carrier field.
2. In addition, enter the **transport partner number** in the corresponding field, which can be found using the **“Search Regional Forwarder”** function in the application. Alternatively, the field may be left blank.

Additional Information for the CEP Process (Parcel Shipments)

In general, the description follows **VDA 4913**. The deviations for **CEP deliveries (parcel shipments)** are described below.

Record type	Pos.	Field	Data Element	Example / Key for Entry
RT 712	13	62-75	Transport partner no.	Number of the respective parcel service provider
RT 712	05	17-30	Freight forwarder	Name of the parcel service provider
RT 712	14	76-77	Means of transport code	09
RT 712	15	78-102	Means of transport number	Parcel number
RT 713	06	25-26	Distribution Type	09/20

1. **At the consignment level**, under Means Of Transport, use **Means of Transport Code 09** (parcel number).
2. A **current transport partner number**, for example for **UPS Germany**, is: 12105979

Parcel delivery services

Number	Name	Zip code	Place
10439362	Deutsche Post		
10442283	Deutscher Paketdienst	13627	Berlin
10735868	German Logistic Systems	36285	Neuenstein
12006508	TNT-Express	53842	Troisdorf
12010740	Trans-O-Flex	69451	Weinheim
12105979	United Parcel Service	41456	Neuss

3. **At the delivery note level**, under Delivery Details, the **Mode of Shipment** must be either **09** or **20**.
