

**Click instruction:**

1. Open Smart IBL
2. Open EDI Quality

Home CoA **EDI Quality**

3. Click on the tile "Search for regional forwarding agent

4. Enter your own supplier number, then click on "Start

The screenshot shows the search form at the bottom of the page. It has four input fields:

- Lieferantennummer:** (Circled in red)
- Land/Region:**
- Postleitzahl:**
- Gebietsnummer:**

To the right of the 'Gebietsnummer:' field is a **Start** button (Circled in red), followed by **Zurücksetzen** and **Filter anpassen** links.
