New Function

# Overview of important process changes

## Mail dispatch is no longer required

- › CoAs will only be sent via email address of @daimlertruck.com
- › They are valid without a signature

## New App: Schedule CoA

- › Option for automated creation of CoAs and their respective email dispatch at an interval of your choice

## Creation of CoAs

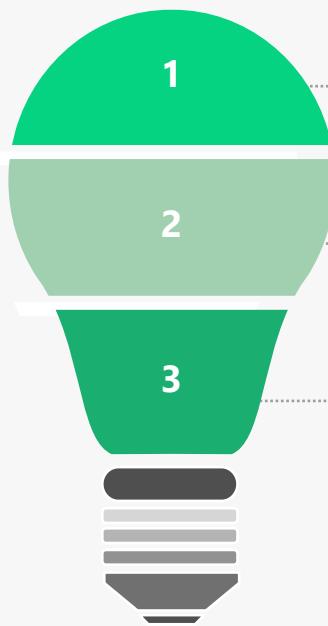

- › CoAs will be directly accessible in the future
- › Quantity changes will be updated in existing CoAs and can be accessed independently
- › Batch-CoAs can be created for customizable periods of up to 3 months

# Training opportunities

Training materials will be directly available on the smartIBL platform from GoLive!

## Self-learning concept

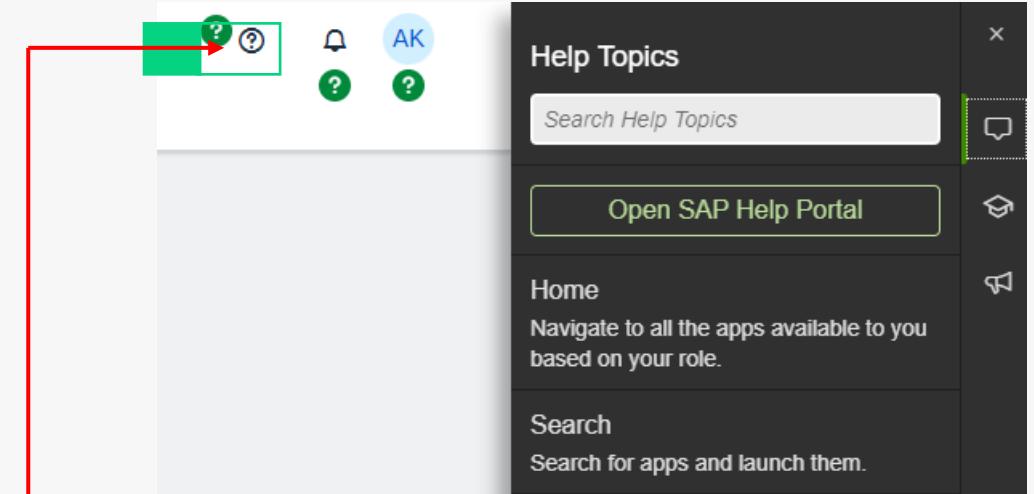

Click guides

Training videos

Mouseover-features within  
smartIBL

## View available training materials

**Available training materials** can be viewed by clicking the **(?)** symbol in the top right corner of each page

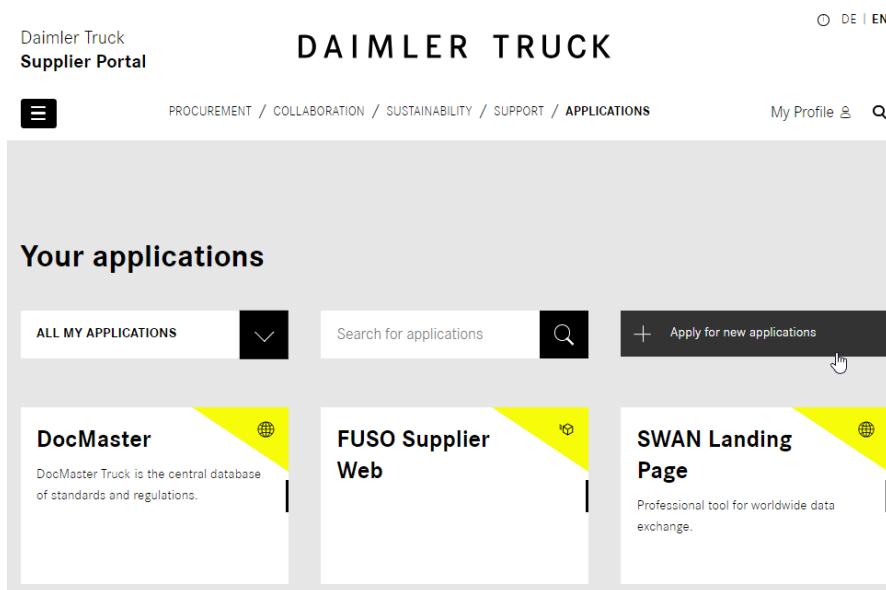

# System login & authorization

## Step 1

### Apply for new applications

Request access

# System login & authorization

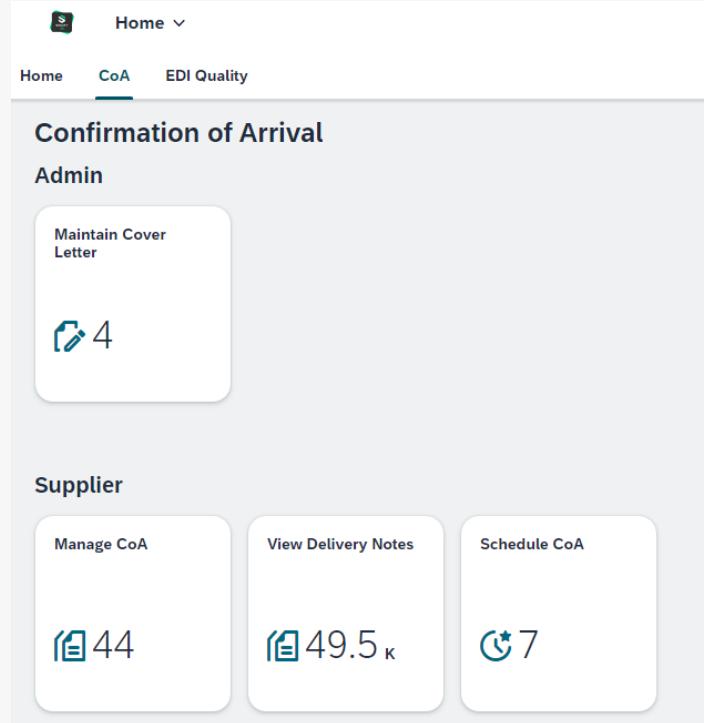

## Step 3

### Login to the system

- After the approval of your request by your portal manager, you can now open the application **Confirmation of Arrival** via the Supplier Portal

## Step 4: System access

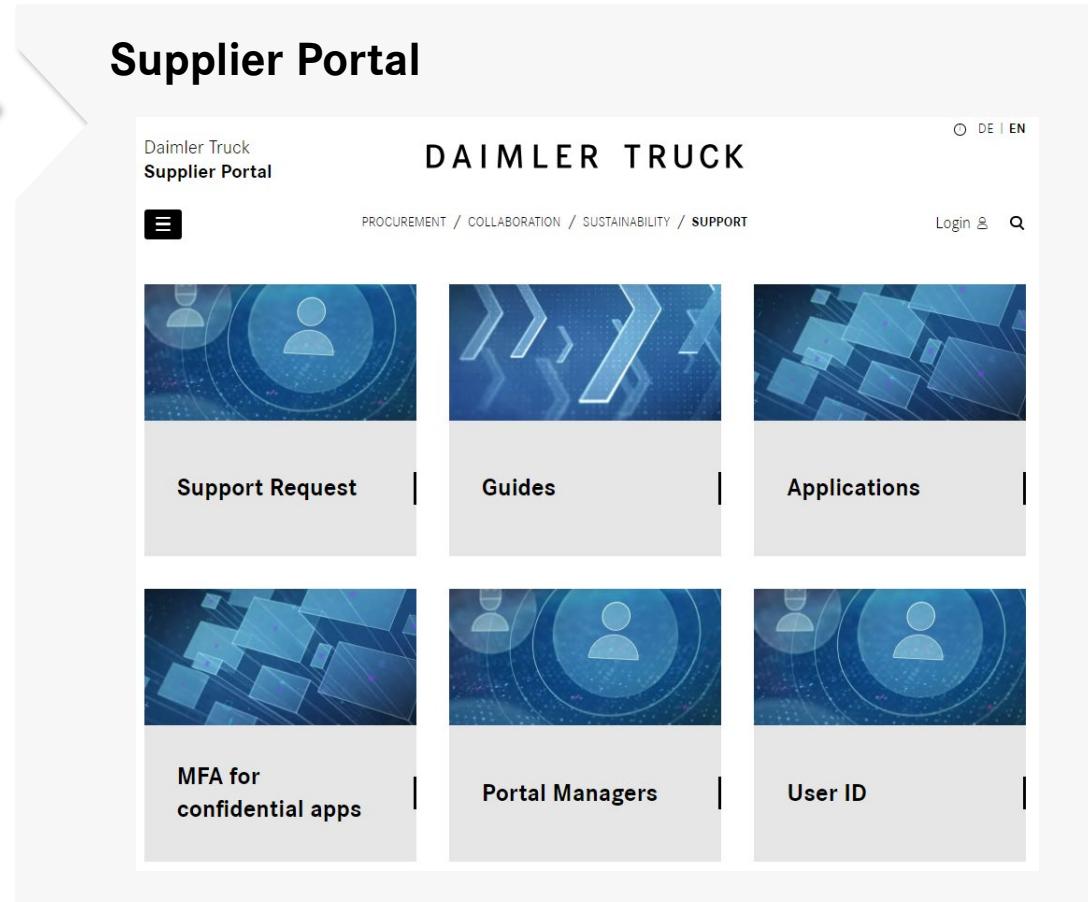

# System login & authorization

## Further information on the Supplier Portal

- › On Topics such as:
  - › Support request
  - › Portalmanagers
  - › User ID
- › [Link: Support | Daimler Truck Supplier Portal](#)

The screenshot shows the Daimler Truck Supplier Portal homepage. The top navigation bar includes links for 'DE' and 'EN', 'PROCUREMENT / COLLABORATION / SUSTAINABILITY / SUPPORT', and a 'Login' button. The main content area is titled 'Supplier Portal' and 'DAIMLER TRUCK'. It features a grid of six cards with icons and text: 'Support Request' (person icon), 'Guides' (arrows icon), 'Applications' (squares icon), 'MFA for confidential apps' (cubes icon), 'Portal Managers' (person icon), and 'User ID' (person icon).
