Overview of important process changes

SMART IBL

Mail dispatch is no longer required

- > CoAs will only be sent via email address of @daimlertruck.com
- > They are valid without a signature

New App: Schedule CoA

> Option for automated creation of CoAs and their respective email dispatch at an interval of your choice

Creation of CoAs

- > CoAs will be directly accessible in the future
- > Quantity changes will be updated in existing CoAs and can be accessed independently
- > Batch-CoAs can be created for customizable periods of up to 3 months

Training opportunities

⊊7

Training materials will be directly available on the smartIBL platform from GoLive!

System login & authorization

Step 1

Apply for new applications

 Please apply the application Confirmation of Arrival via the Supplier Portal (beginning of 11.02.2025 possible)

Step 2: Request Access

Enter the following values in the 'Add more applications' function

SMART

×

- > All applications: Logistics
- > Search for applications: Confirmation of Arrival
- As a result, you will receive the role SMARTIBL-SCOA-SUPPLIER-ROLE and then click on 'Request Access'
- Your responsible portal manager will receive the access request and have to approve it

System login & authorization

Step 3

Login to the system

 After the approval of your request by your portal manager, you can now open the application Confirmation of Arrival via the Supplier Portal

- Attention: You need a separate user ID for each supplier number with an index
- Attention: the final approval of the roles by DTAG will also take place starting from February 11, 2025

! Step 4: System access will only be possible starting from February 11, 2025 **!**
