How to delete BID user in DT IAM

Step 1: Open DT IAM using the following URL.
(URL: <https://identity.iga.tbinter.net/resadmin/people>)

Step 2: Click on the search bar to enter the user id.

The screenshot shows a web browser window with the URL <https://staging.iga.tbinter.net/resadmin/people>. The page title is "Resource Admin" and the user is logged in as "KARYANGETTY, PRA.". The main content area is titled "People 1" and has a "View All" button. A search bar is located at the top of the list, with a black arrow pointing to it. Below the search bar is a table with columns: "Enabled", "Display Name", "Role", "Manager", "Login", and "Email". The table contains one row with a green checkmark in the "Enabled" column, a profile icon with "pu" in the "Display Name" column, "SUPPLIER" in the "Role" column, "-" in the "Manager" column, and "pkuser16_9_25@tycom.de" in the "Email" column. A "Details" button and a settings gear icon are to the right of the row. On the left side, there is a sidebar with "Hide My Filters" and "More Information" sections. The "More Information" section contains links for "Internal Users" and "External Users".

Step 3: Click on gear icon to select "Trigger Leaver BID People".

The screenshot shows a web browser window with the URL `https://staging.iga.tbinter.net/resadmin/people`. The page title is "Resource Admin" and the main heading is "People 1". A table lists user profiles. The first row shows a user with a green checkmark in the "Enabled" column, a profile picture with "pu", and the role "SUPPLIER". To the right of this row are "Details" and "Settings" (gear) icons. A dropdown menu is open over the gear icon, listing three options: "Disable BID People", "Enable BID People", and "Trigger Leaver BID People". A black arrow points from the gear icon to the dropdown menu, and another black arrow points from the "Trigger Leaver BID People" option to the right.
