

# DAIMLER TRUCK

## Password modification procedure for Daimler Truck Supplier Portal

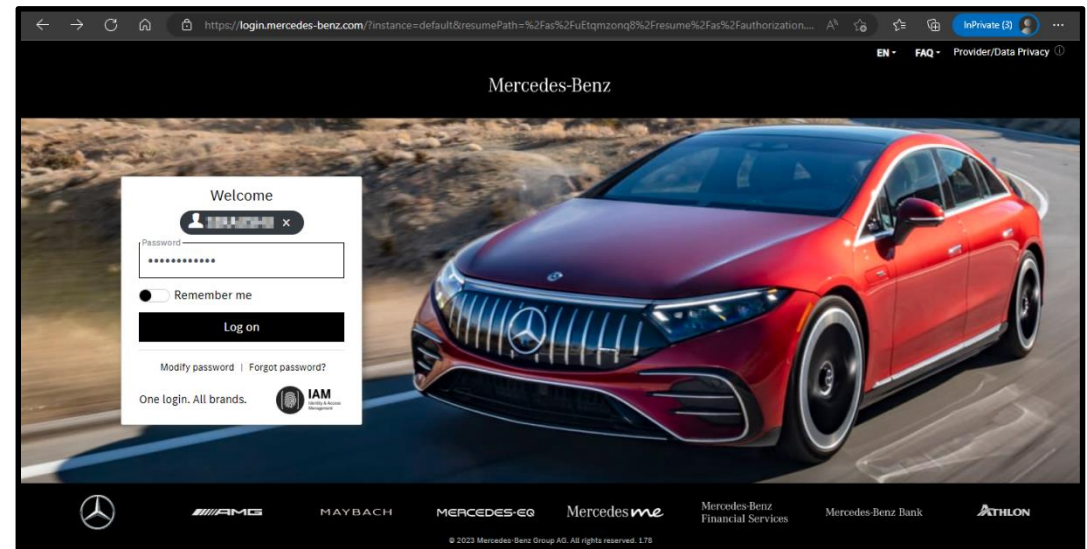

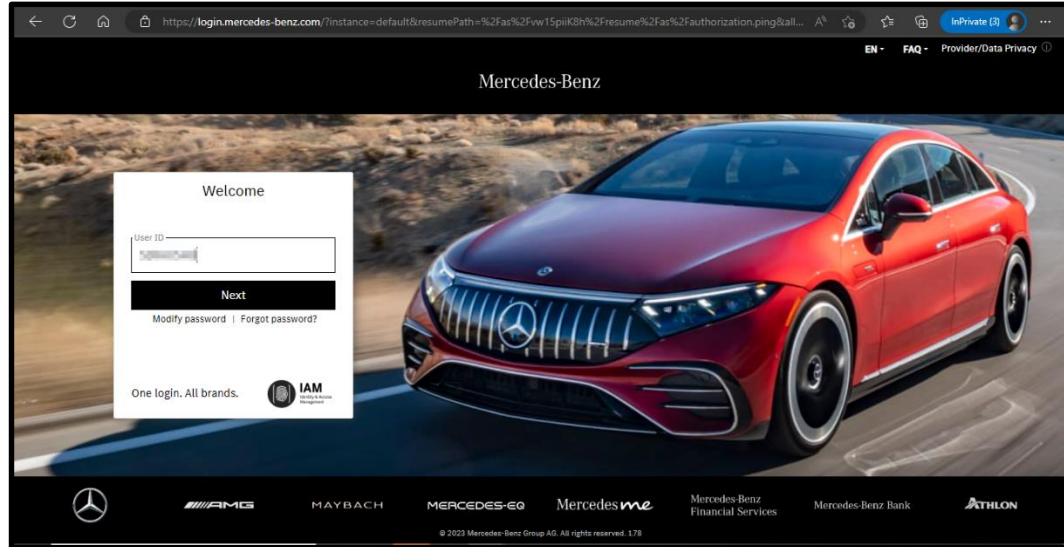

**Note:** Password reset can be performed by Portal Manager

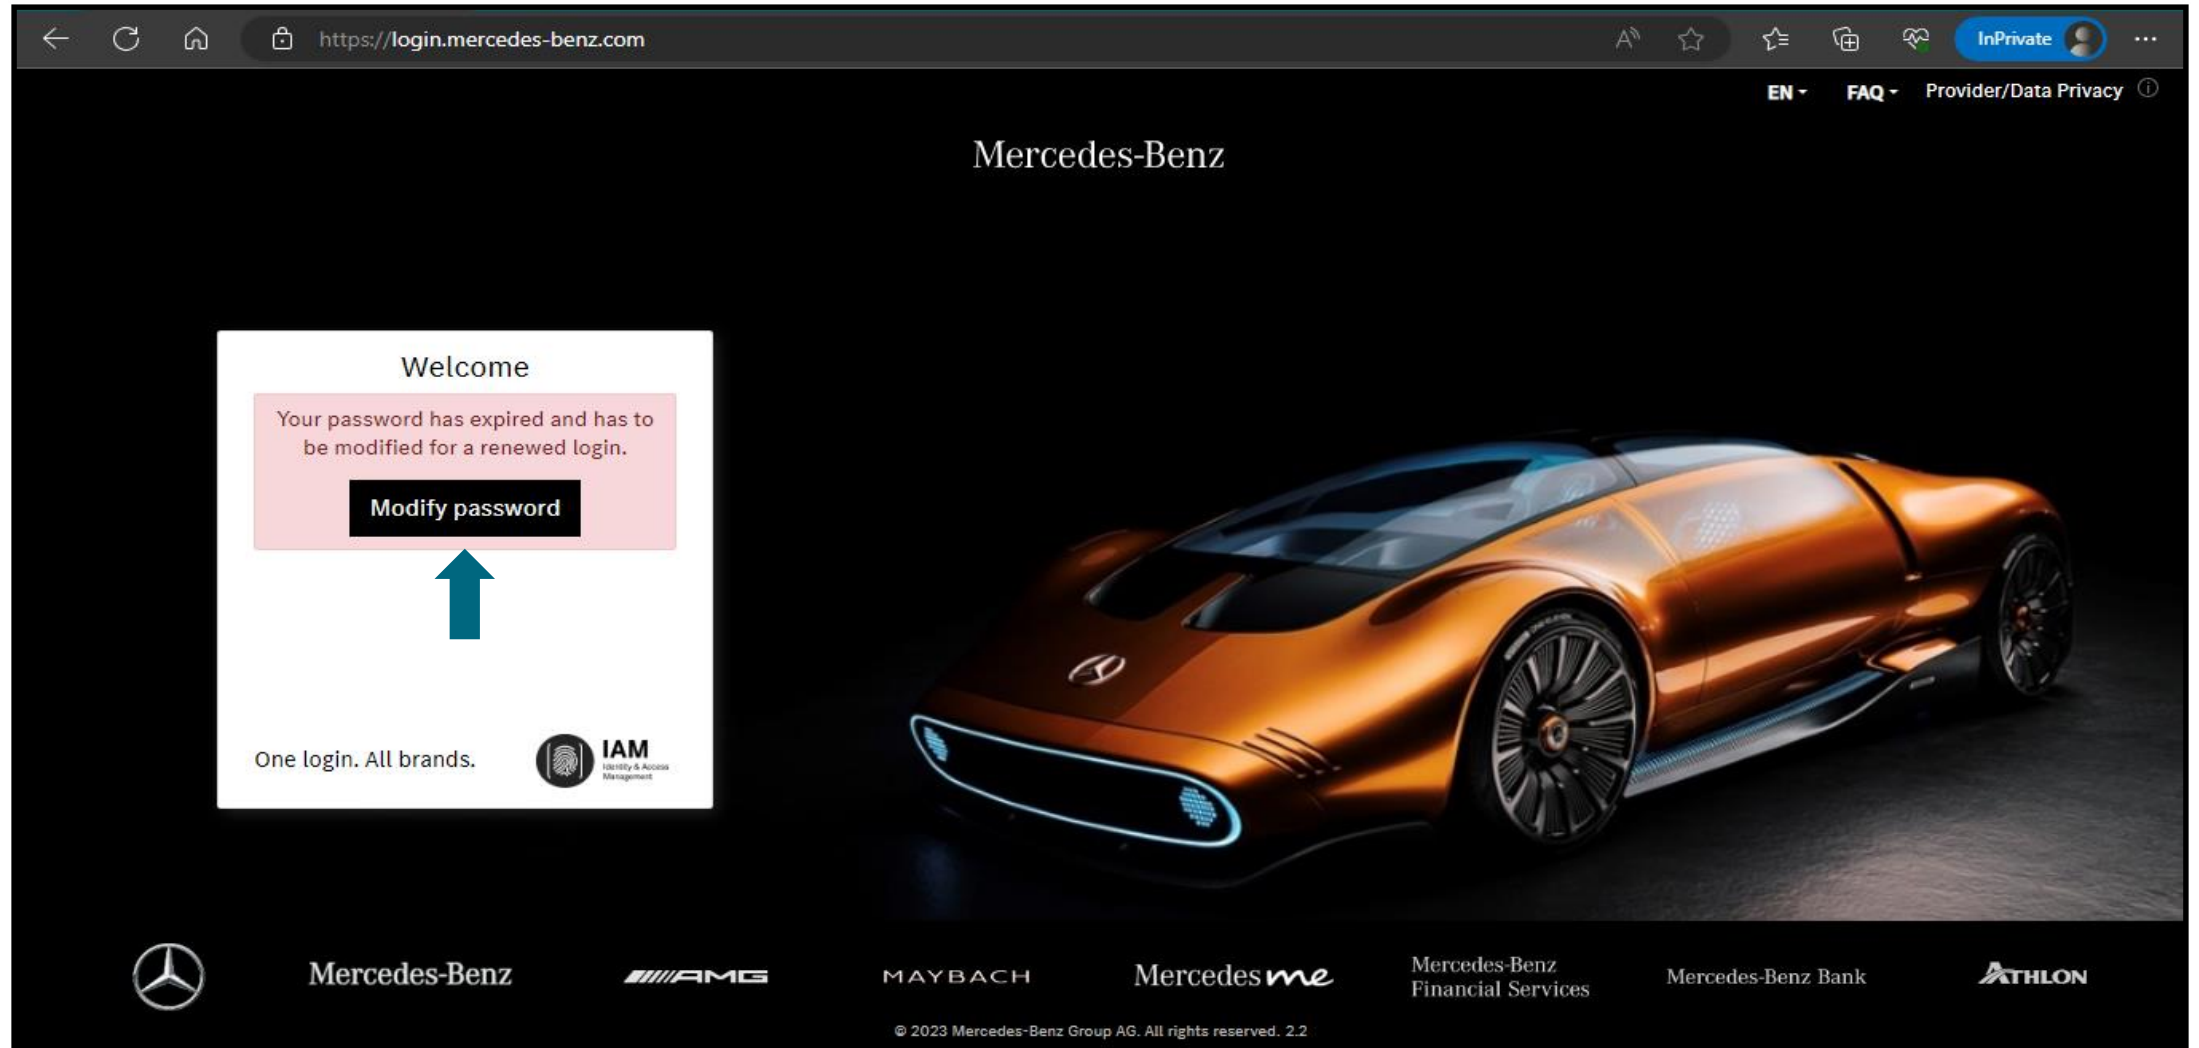

**Step 1:** Once the initial password is received, click on the **“Sign-in”** button.

## Step 2: Login with the “User ID” and “Initial Password”

### Step 3: After login with initial password user should perform “Modify Password”

The screenshot shows a web browser window with the URL <https://login.mercedes-benz.com>. The page features the Mercedes-Benz logo at the top center. A white notification box on the left contains the following text:

Welcome

Your password has expired and has to be modified for a renewed login.

**Modify password**

One login. All brands. 

The notification box is highlighted with a light pink background. A blue arrow points upwards from the bottom of the notification box to the 'Modify password' button. The background of the login page is dark with a futuristic orange and blue car concept. At the bottom, there is a footer with logos for Mercedes-Benz, AMG, MAYBACH, Mercedes me, Mercedes-Benz Financial Services, Mercedes-Benz Bank, and ATHLON. The copyright notice reads: © 2023 Mercedes-Benz Group AG. All rights reserved. 2.2

**Step 4:** Follow the tips for setting up the new password and click on “Next”.

### Password - Modify

You will be logged off in 8 minutes

Please enter a **new password** now.

**Please observe the rules given under "Password composition" and "Further password rules"!**  
Three of four requirements regarding the "Password composition" have to be fulfilled. Password requirements which have not been fulfilled are marked by **!**.

Tips for a strong password:  
**Password sentence:** Think of a sentence that is easy for you to remember, and create your **password** using the first letters of each word:  
Based on the sample sentence "I prefer to ride my bike to the office at 6AM to stay fit!", this would be "Iptrmbttoa6Atsf!", for example.

New password

Repeat the new password

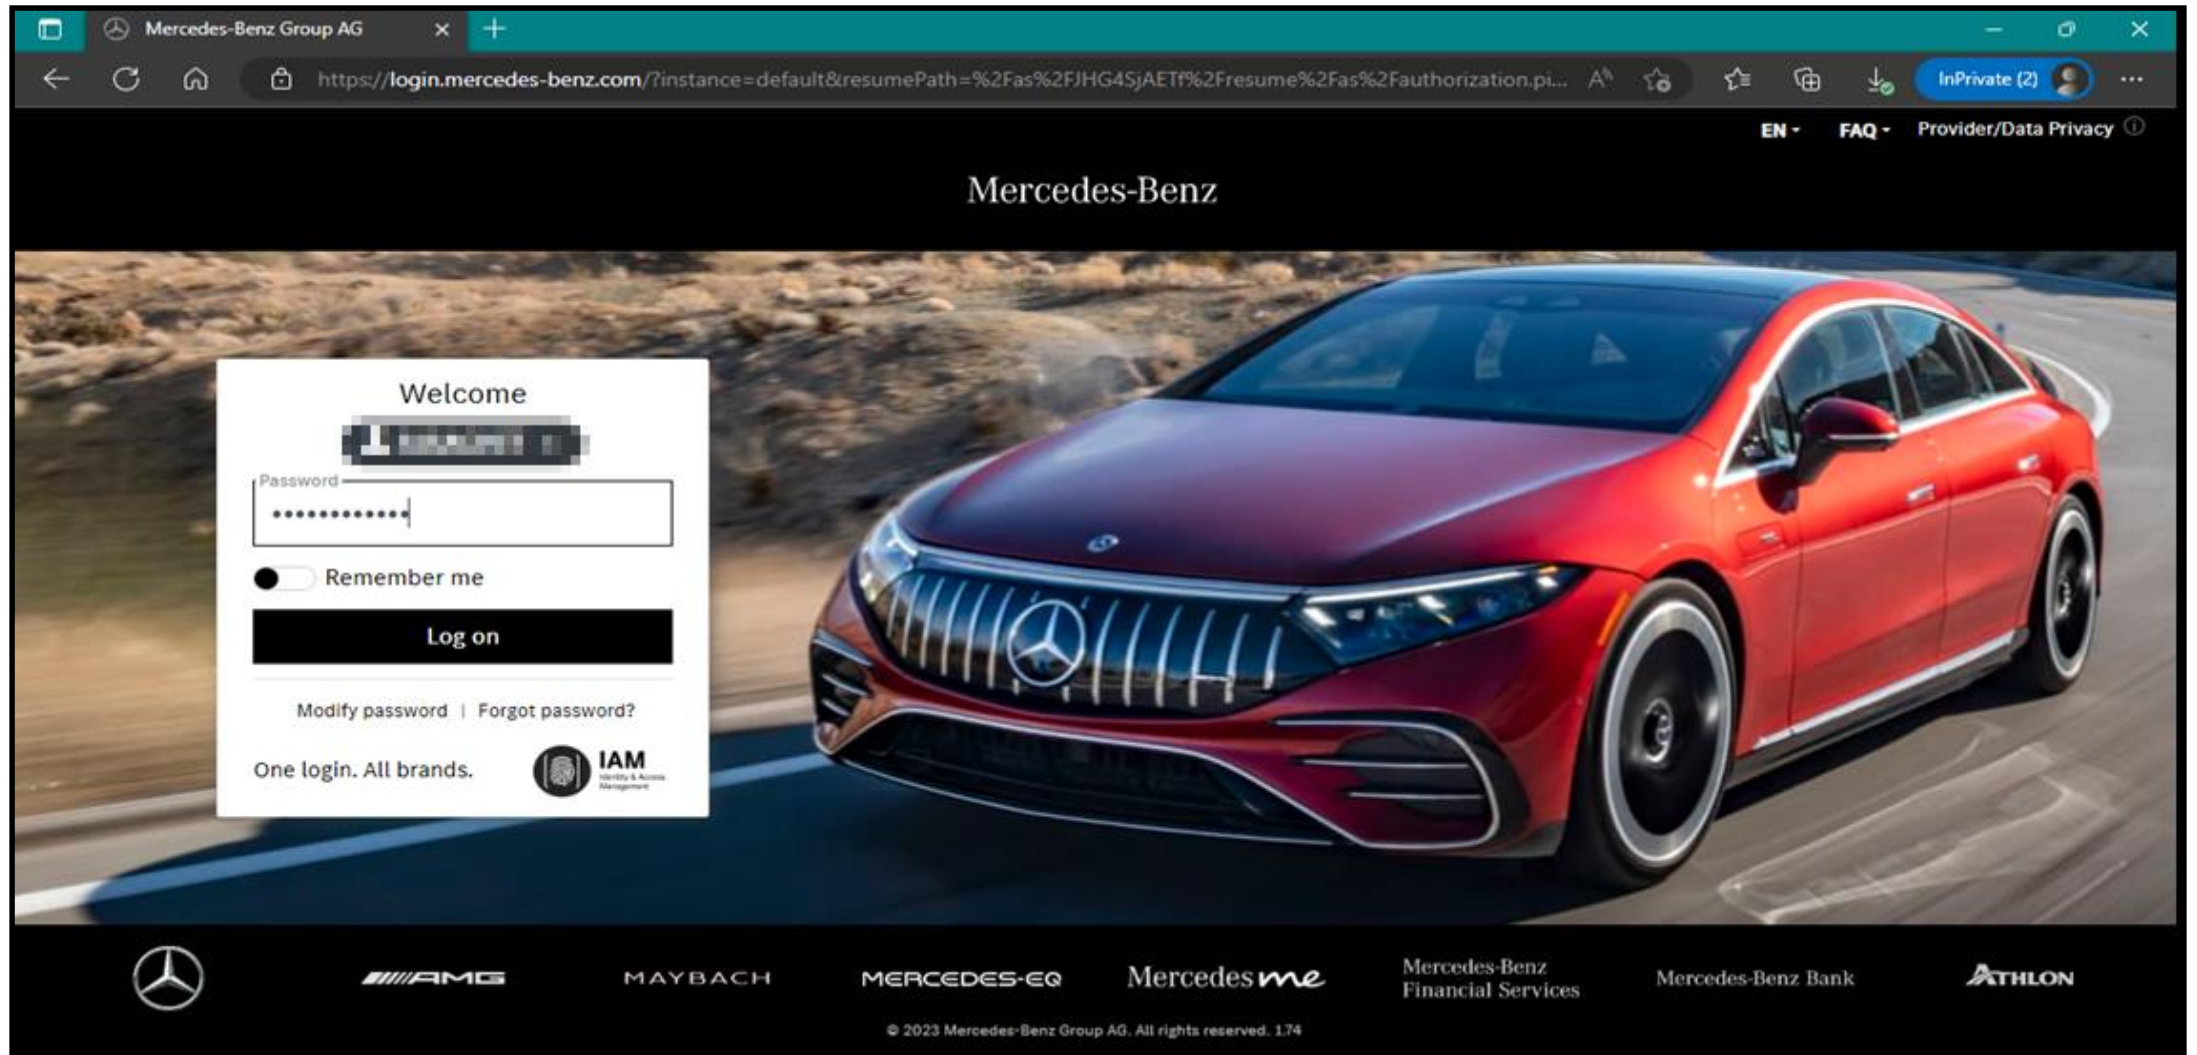

**Next >>** **←** Password is too weak

**Step 5:** Once password reset is successful please click on the **“Continue”** for login

The screenshot shows a web browser window with the URL <https://login.mercedes-benz.com/password/>. The page title is "Mercedes-Benz". On the left side, there is a navigation menu with the IAM logo (Identity & Access Management) and three items: "Password", "PingID-MFA", and "Mainframe". The main content area is titled "Password - Modify" and contains a blurred grey bar at the top. Below it, a message states: "Your password has been reset successfully." This is followed by another blurred grey bar containing the text: "You can now use the new password." Below that, a message reads: "Please logon with your new password, before you are redirected to your original target application." At the bottom of this section is a teal "Continue" button. The footer of the page contains the text: "© 2023 Mercedes-Benz Group AG. All rights reserved. Version 7.84".

## Step 6: Login into the Daimler Truck Supplier Portal with new password.

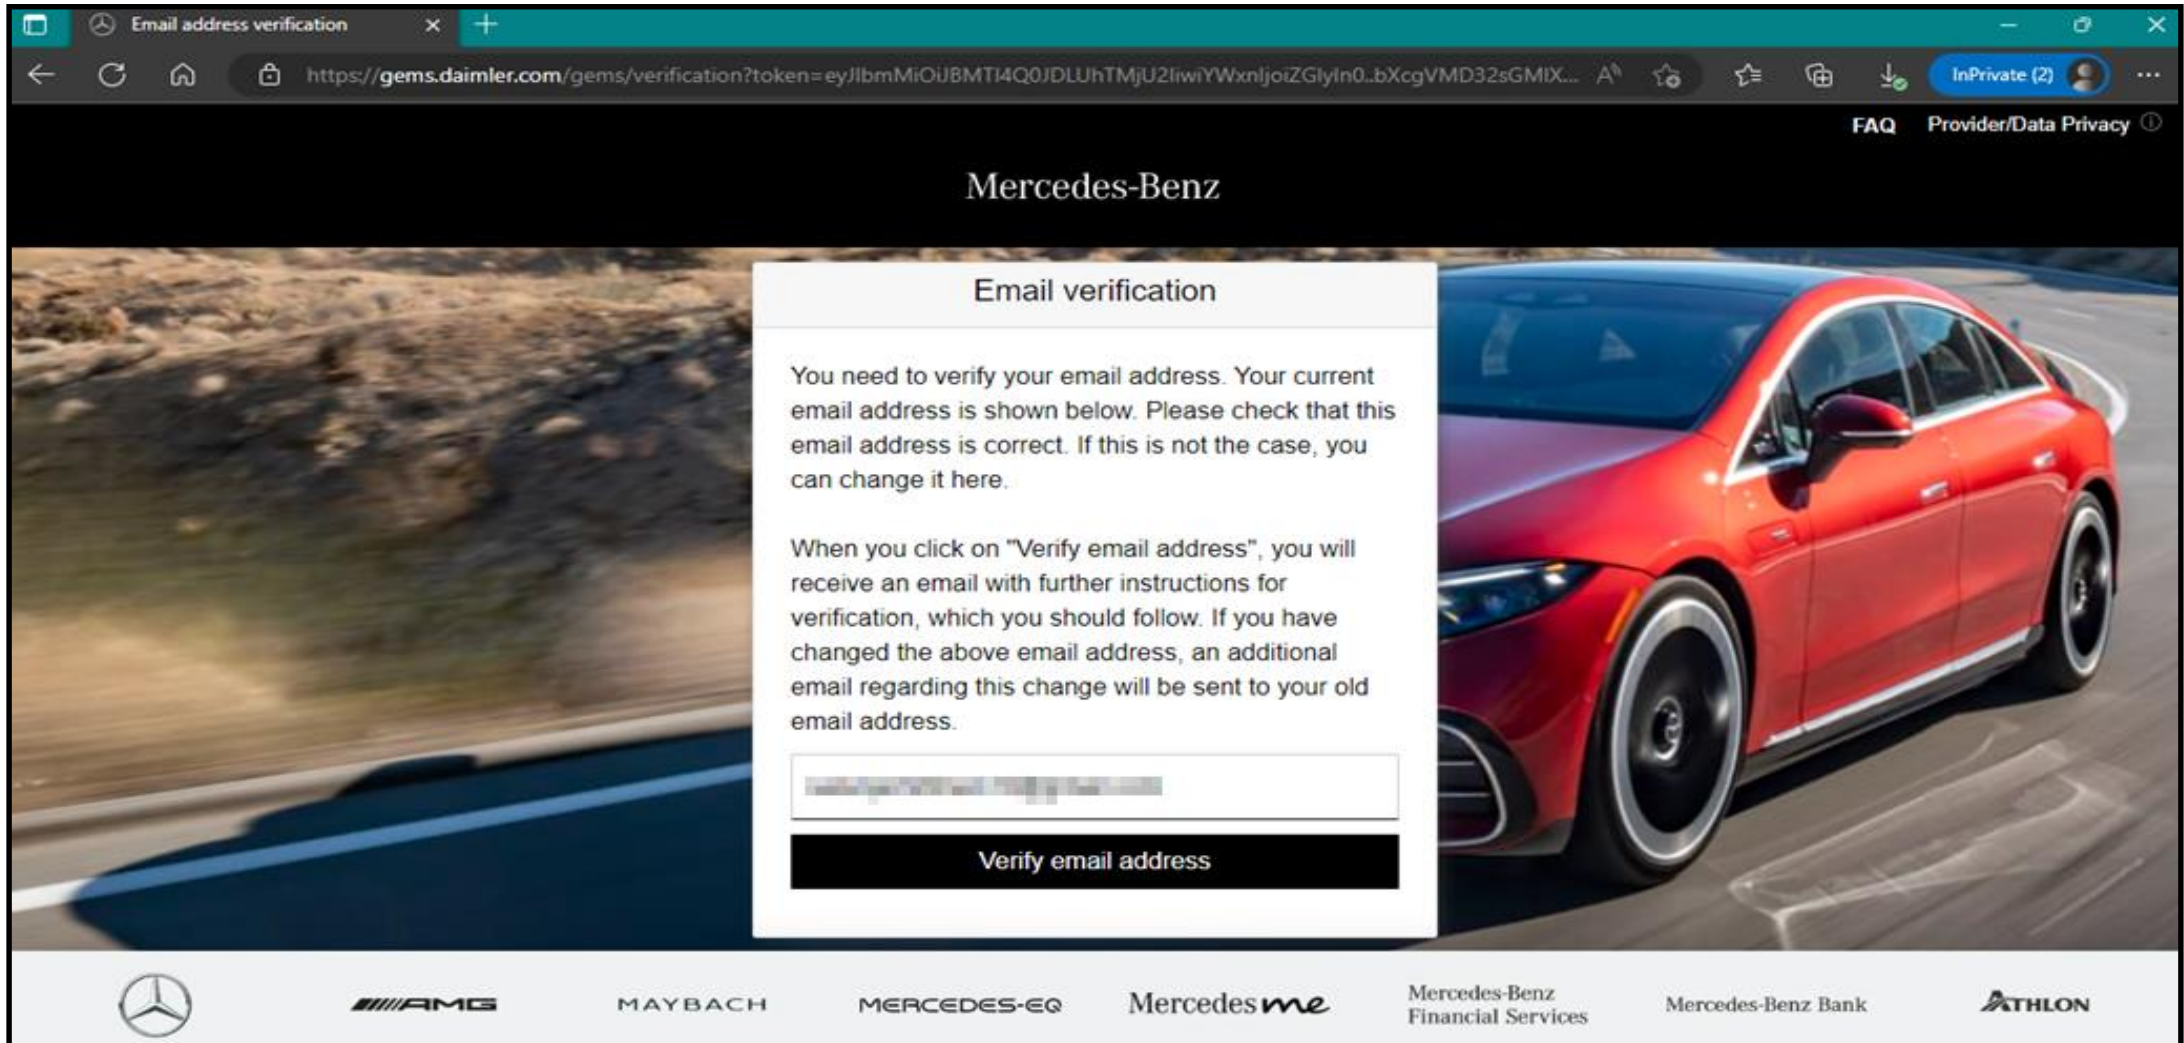

The screenshot shows a web browser window with the Mercedes-Benz Group AG logo in the top left. The address bar displays the URL: <https://login.mercedes-benz.com/?instance=default&resumePath=%2Fas%2FJHG4SjAETf%2Fresume%2Fas%2Fauthorization.pi...>. The page features a navigation menu with links for EN, FAQ, and Provider/Data Privacy. The main heading is "Mercedes-Benz". The background image is a red Mercedes-Benz car driving on a road. A white login form is overlaid on the left side of the page. The form contains the following elements:

- A "Welcome" message with a blurred name.
- A "Password" input field with a masked password (represented by dots).
- A "Remember me" checkbox, which is currently unchecked.
- A "Log on" button.
- Links for "Modify password" and "Forgot password?".
- The slogan "One login. All brands." and the IAM (Identity & Access Management) logo.

The footer of the page includes logos for Mercedes-Benz, AMG, MAYBACH, MERCEDES-EQ, Mercedes me, Mercedes-Benz Financial Services, Mercedes-Benz Bank, and ATHLON. The copyright notice at the bottom reads: © 2023 Mercedes-Benz Group AG. All rights reserved. 1.74

## Step 7: After the Login into the portal click on the “Verify email address”

The screenshot shows a web browser window with the URL <https://gems.daimler.com/gems/verification?token=eyJlbmMiOiJBMjI4Q0JDLUkTMjU2IiwiaWwiOiJlbn0..bXcgVMD32sGMIX...>. The page features the Mercedes-Benz logo at the top center. Below the logo is a large image of a red Mercedes-Benz car. A white modal window titled "Email verification" is centered on the page. The modal contains the following text:

**Email verification**

You need to verify your email address. Your current email address is shown below. Please check that this email address is correct. If this is not the case, you can change it here.

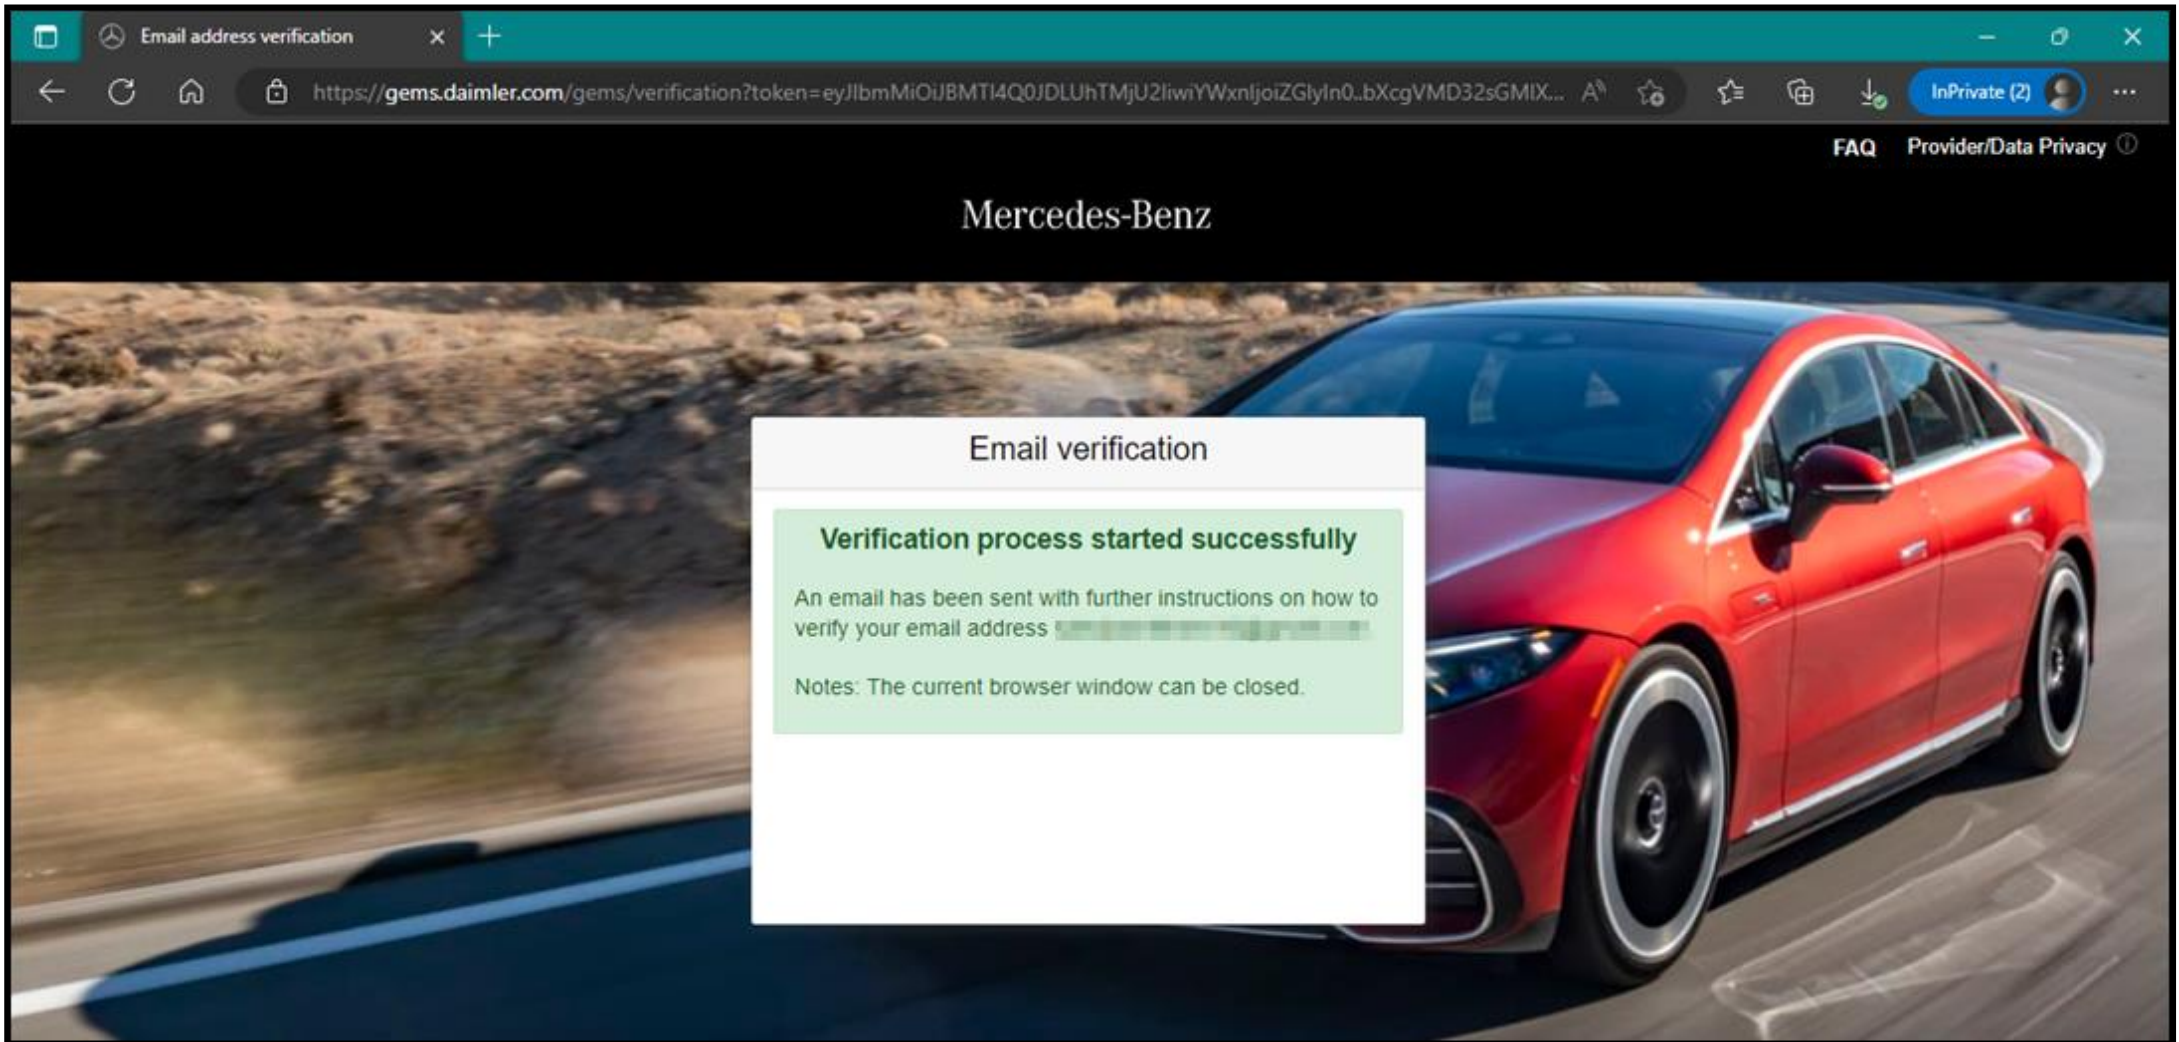

When you click on "Verify email address", you will receive an email with further instructions for verification, which you should follow. If you have changed the above email address, an additional email regarding this change will be sent to your old email address.

Below the text is a blurred input field for the current email address. At the bottom of the modal is a black button with the text "Verify email address".

The footer of the page contains the Mercedes-Benz logo and several brand logos: AMG, MAYBACH, MERCEDES-EQ, Mercedes me, Mercedes-Benz Financial Services, Mercedes-Benz Bank, and ATHLON.

**Step 8:** Email with a verification link sent to the registered email address for completing the verification procedure.

**Step 9:** Verification link will be received as shown below click on the link to complete the email verification.

In order to be able to log in to applications in the future, you must first verify this email address. This happens when you click the following verification link:

<https://gems.daimler.com/gems/confirmation?verificationLinkId=AP3gszc1guxpysNU5tTYqaxwqMHAvmY3eYgcd1jm3AREz8hb9&token=ymlq5iUj2G>
